1. Team Number: 013-05
2. Team Name: Nomads
3. Team Members:Mateo Puente, Adrian Nica
4. App Name: Nomad Nexus
5. App description:
   The ultimate vacation planning tool designed to transform your travel dreams into reality. In today's world, where the abundance of choices can overwhelm even the most seasoned traveler, Nomad Nexus simplifies your journey from inspiration to execution.

   Nomad Nexus provides a platform for users to explore destinations, curate personalized itineraries, and manage all parts of their travel plans in one place. The application also aims to connect travelers to their specific needs by utilizing their preferences of budget, means of travel, destinations, and timelines.
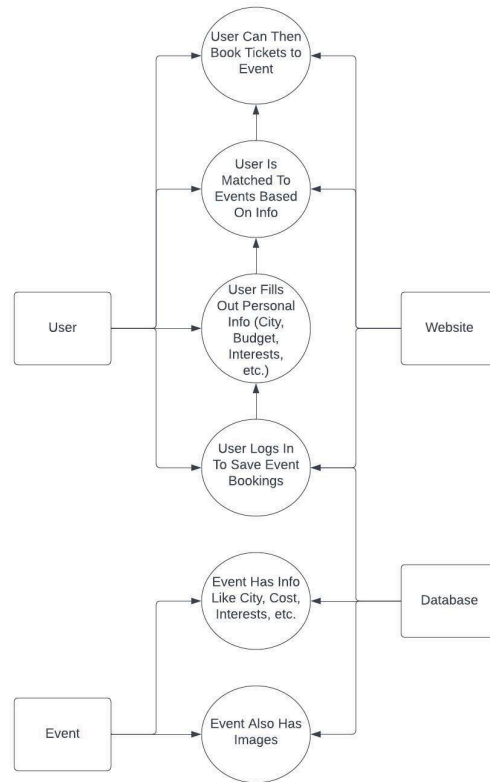

6. Vision Statement
   For travelers who need to plan their next trip. The Nomad Nexus page is a travel application designed to simplify vacation planning.

7. Version Control
